

Welcome fellow classmates.

Listed below are our current Checkpoint scribes. They are listed so everyone can have multiple points of contact to send info and photos. Please send your info to any of them or to the class officers and we'll get it to the current scribe. If you see one of our scribes without an adult beverage, please buy them one and thank them for keeping us informed.

Thank you Cecil Grant for single-handedly organizing the Memorial service. It'll be different this year as the chapel is under construction but I'm sure it'll be just as moving as before. At your Doolie and graduation squadron get together, please toast those who are "Gone, but not forgotten". Thanks Cecil

Finally, please welcome and congratulate your new class officers. Our class can now have a seamless chain for our future. Please feel free to contact us anytime with your ideas and thoughts about how we can keep our class close. It's time for a change. I will be stepping down soon and look forward to passing the baton.
